## ROOK'S RESOURCES:

Rook's Resources is a 501(c)(3) dedicated to supporting families navigating the NICU journey. Dedicated to the memory of our son, Rook, and the life of his twin brother, Carmine, our mission is to provide compassionate, informative, and inspiring resources that help offer comfort, knowledge, and HOPE to parents and caregivers everywhere.

## MAKE A DIFFERENCE TODAY:

Your generosity fuels hope and healing for families and children with special developmental needs. Thanks to your support during our 2025 campaign, we've delivered a year of impact—partnering with Eskenazi and Riley Hospitals to provide:

- Monthly nourishment supplies for moms and families in the NICU
- Heartfelt holiday gifts for Mother's and Father's Day
- Catered meals for families at the Ronald McDonald House
- Annual book donations to inspire and comfort

## BRING COMFORT TO NICU FAMILIES: ❤️

Every day, parents sit beside tiny fighters in the NICU, hoping for strength and support. Your gift makes those moments a little brighter—with nourishing meals, holiday surprises, and care packages that remind families they're not alone.

In 2026, we're expanding to Union Hospital in Terre Haute to reach even more families in need.

✨ Your kindness changes lives. Donate today to spread hope.

## UNION HOSPITAL AND ROSE-HULMAN:

This spring, Rook's Resources – in partnership with Rose-Hulman's Alpha Tau Omega Fraternity – is excited to announce the expansion of NICU support to families at Union Hospital in Terre Haute.

Join us in celebrating the students and families as a part of connecting our community through service.
